

fmocdmac — FM's OCD L^AT_EX Macro*

Fabio Mogavero
fm@fabiomogavero.com

Released 2023/07/29

Abstract

This package contains almost all the latex macros I heavily use in my tcs research activity and, in particular, in the writing of conference and journal articles. As few of my co-authors have kindly pointed out, and probably many have thought, they are somehow a clear expression of an underlying ocd-like behavior... hence the name!
